NATURE, REFINED

## THERE IS NO ADDRESS LIKE ST. REGIS.

---

We are delighted to have you here as our guest at The St. Regis, the seductive setting for magical moments.

Park City is a vibrant year round destination, with countless options for entertainment, recreation, dining, relaxation and shopping. The St. Regis Deer Valley is the ultimate address in Park City, nestled on the exquisite mountain side of Deer Valley Resort®, providing exceptional service and unique experiences throughout the year.

The following pages will familiarize you with some of our offerings, exquisite services and outstanding cuisine. We are honored to share the flawless St. Regis experience at every turn.

As always, whatever the request, St. Regis Butler Service is available anytime, day or night. 435.940.5700 or [deervalley.butler@stregis.com](mailto:deervalley.butler@stregis.com)

The St. Regis Deer Valley is ranked Number One among “The World’s Best Hotels for Families” by *Travel + Leisure*

## NATURE, REFINED

### Mountain Recreation Adventures with the St. Regis Touch

Enjoy Nature's abundance of fine adventures in the mountain paradise of Park City. St. Regis offers the exhilaration of extraordinary outdoor experiences with expert guide service and top quality equipment from Jans Mountain Outfitters, conveniently located on the Lower Level of the Resort.

Nature, Refined begins with a step outside our doors, and ends with the divine comforts of The St. Regis. Transportation is provided from the Resort to the starting point of all St. Regis excursions, along with an a la carte picnic basket lunch from J&G Grill, customized with the food and beverages of your choice.

### GUIDED BIKE TOURS

Park City has been named the first (and only) Gold Level Ride Center in the world by the International Mountain Bicycling Association (IMBA). This award recognizes Park City's exemplary trail network of more than 400 miles of public trails with options for any level rider and any style of riding, designated exclusively for non-motorized recreation.

The St. Regis Deer Valley offers bike tours led by experienced guides who create a customized trail ride to show you Park City's alpine beauty and fit your abilities and personal appetite for adventure. Guided bike tours are designed for all ages and abilities - from a gentle ride to visit local historic sites, to a challenging day-long adventure on an IMBA Epic trail - and always include bike and helmet rental, and a complimentary water bottle to keep you hydrated.

### GUIDED FLY FISHING

Embrace the Zen of fly fishing with the guidance of seasoned anglers who know the local waters and idiosyncrasies of the hatch. Experienced guides provide top-quality gear including rod, reel, and waders, select the right flies for the day, and help you hone your casting motion.

Exclusive fly fishing access on over eight miles of the pristine upper Weber River at Thousand Peaks Ranch is an easy 40-minute drive from the Hotel. With nearly a mile of private water allotted to each fishing party, sightings of wildlife rarely include other two-legged beings.

World class fly fishing is also available just 15 minutes from The St. Regis Deer Valley with a guided excursion to the Blue Ribbon waters of the middle Provo River.

### HIKING TOURS

With 400+ miles of trails in Park City and vast acreage in the nearby Uinta Mountains, there are endless exquisite options for hiking excursions. Discover places you'd never venture to on your own and see why the locals relish Park City summers with a St. Regis made-to-order guided hike designed to meet your timeframe, interests and ability.

We have exclusive guiding access to over 2 million glorious acres of alpine backcountry terrain in the nearby High Uinta Wilderness Area. Try the unique "Friluftsliv" experience with a Norwegian Nature legend or enjoy a local guided hike to immerse yourself in the beauty just outside our doors.

### UTAH OLYMPIC PARK ADVENTURES

Host to the Bobsleigh, Skeleton, Luge, Nordic Ski Jumping, and Nordic Combined events for the 2002 Winter Olympic Games, the Park is an Official U.S. Olympic Training Site for Olympic and development level athletes, and a venue for world-class competitions including U.S. Olympic Trials, World Cup and North America Cup sporting events. Utah Olympic Park shares the excitement of the Games year-round with guided tours, interactive exhibits, adventure activities, and Freestyle Skiing Shows featuring the acrobatic feats of Olympians and National Team skiers.

Experience Olympic-level exhilaration with the Comet Bobsled ride as you reach speeds up to 60 mph in a modified sled with a professional pilot on the 2002 Olympic Track. Somewhat more tame experiences are offered, including Ziplines, Alpine Slides, several Adventure Courses and the thrilling Drop Tower adventure boasting a 377-foot zipline that starts with a 65-foot free fall. And everyone may enjoy scenic chairlift rides, guided tours and a visit to the Alf Engen Museum, no matter how large (or small) their appetite for adventure.

## AUTUMN EVENTS

Park City is brimming with events and activities to fulfill every taste! Join us for St. Regis Family Traditions activities, designed for families with children aged 5 to 12. Parents are encouraged to be present and participate. Please contact the Concierge Team, 435.940.5717, or Butler Services, 435.940.5700, for full details and to sign up.
